March 16- 2017

"Dear Prime Minister, Dear Mark,

I would like to warmly congratulate you for your clear victory at yesterday's election in the Netherlands. The people of the Netherlands voted overwhelmingly for the values Europe stands for: free and tolerant societies in a prosperous Europe. The result of this election is an inspiration for many.

I look forward to continuing our excellent working relations, in particular our work on the future of Europe.

Laten we samen bouwen aan een sterk Europa!"
